tua.nylen [at] helsinki.fi

Fiuginet chaiperson Eliisa Lotsari, University of Eastern Finland  
eliisa.lotsari [at] uef.fi

**3. Name of the register**

Fiuginet Geoinformatics Research Days participant register

**4. What data do we collect?**

E-mail address, First name (optional), Last name (optional) and Organization (optional).

The register does not contain sensitive personal information.

**5. How do we collect your data?**

You directly provide with all data that we collect. We collect and process data when you register online to attend the event.

**6. How will we use your data and what is the legal basis of for processing?**

Fiuginet collects your data to be able to 1. send you a calendar invitation, participation link and updated information on the event you registered to, and to 2. keep track of the number of participants.

Your personal data will not be transferred to other parties or outside Finland.

The legal basis for processing your personal data is your consent that you can withdraw.

**7. How do we store your data?**

Fiuginet stores your data at the University of Helsinki E-lomake service, at the university's server in Finland, protected by personal usernames and passwords. Only the organizing team of the event have access to your data.

Fiuginet will keep your personal data until the end of the event you have registered to and you have been informed on how the event material can be accessed after the event.

## **8. What are your data protection rights?**

Fiuginet would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following: The right to access your personal data, the right to rectify your data, the right to erase your data, the right to restrict processing of your data, the right to object to processing your data and the right to transfer your data. Not all rights can be applied at all conditions.

You can always contact us if you would like to exercise any of these rights or have any questions or concerns about the processing of your personal data. However, you have also the right to lodge a complaint with the Data Protection Ombudsman's Office if you think your personal data has been processed in violation of applicable data protection laws.
